

**ParentChild+ for Home-Based Child Care  
Participation Agreement**

As a **home-based child care provider** participating in the **ParentChild+ for HBCC**, I understand and agree to the following:

1. I will be at my child care site for my two scheduled forty-five minute sessions a week. If I lead a group-family child care site, I understand that I, as the lead provider, must participate in all sessions, even if my assistant is also participating.
2. I will try to limit interruptions during these scheduled times and will arrange the daily schedule so the children and I are able to participate in the full 45-minute sessions. I understand that ParentChild+ for HBCC policy prohibits the Early Learning Specialist from being left alone with the children in my care.
3. I will keep pets in a room separate from where the sessions are held. I will turn off the television and radio for the sessions.
4. I will contact my Early Learning Specialist when I cannot keep a scheduled visit. I will leave a message at the ParentChild+ office if I cannot reach her/him directly.
5. I will take care of the program materials and have them available for each visit. I will use the program materials with the children in my care during the week.
6. I will participate as a learning partner with my Early Learning Specialist so that, together, we can design literacy and learning activities to enhance the development and school readiness of children in my care.
