Role of Coordinator as Trainer

Have you trained people in the past 5 years?

Content and Practice

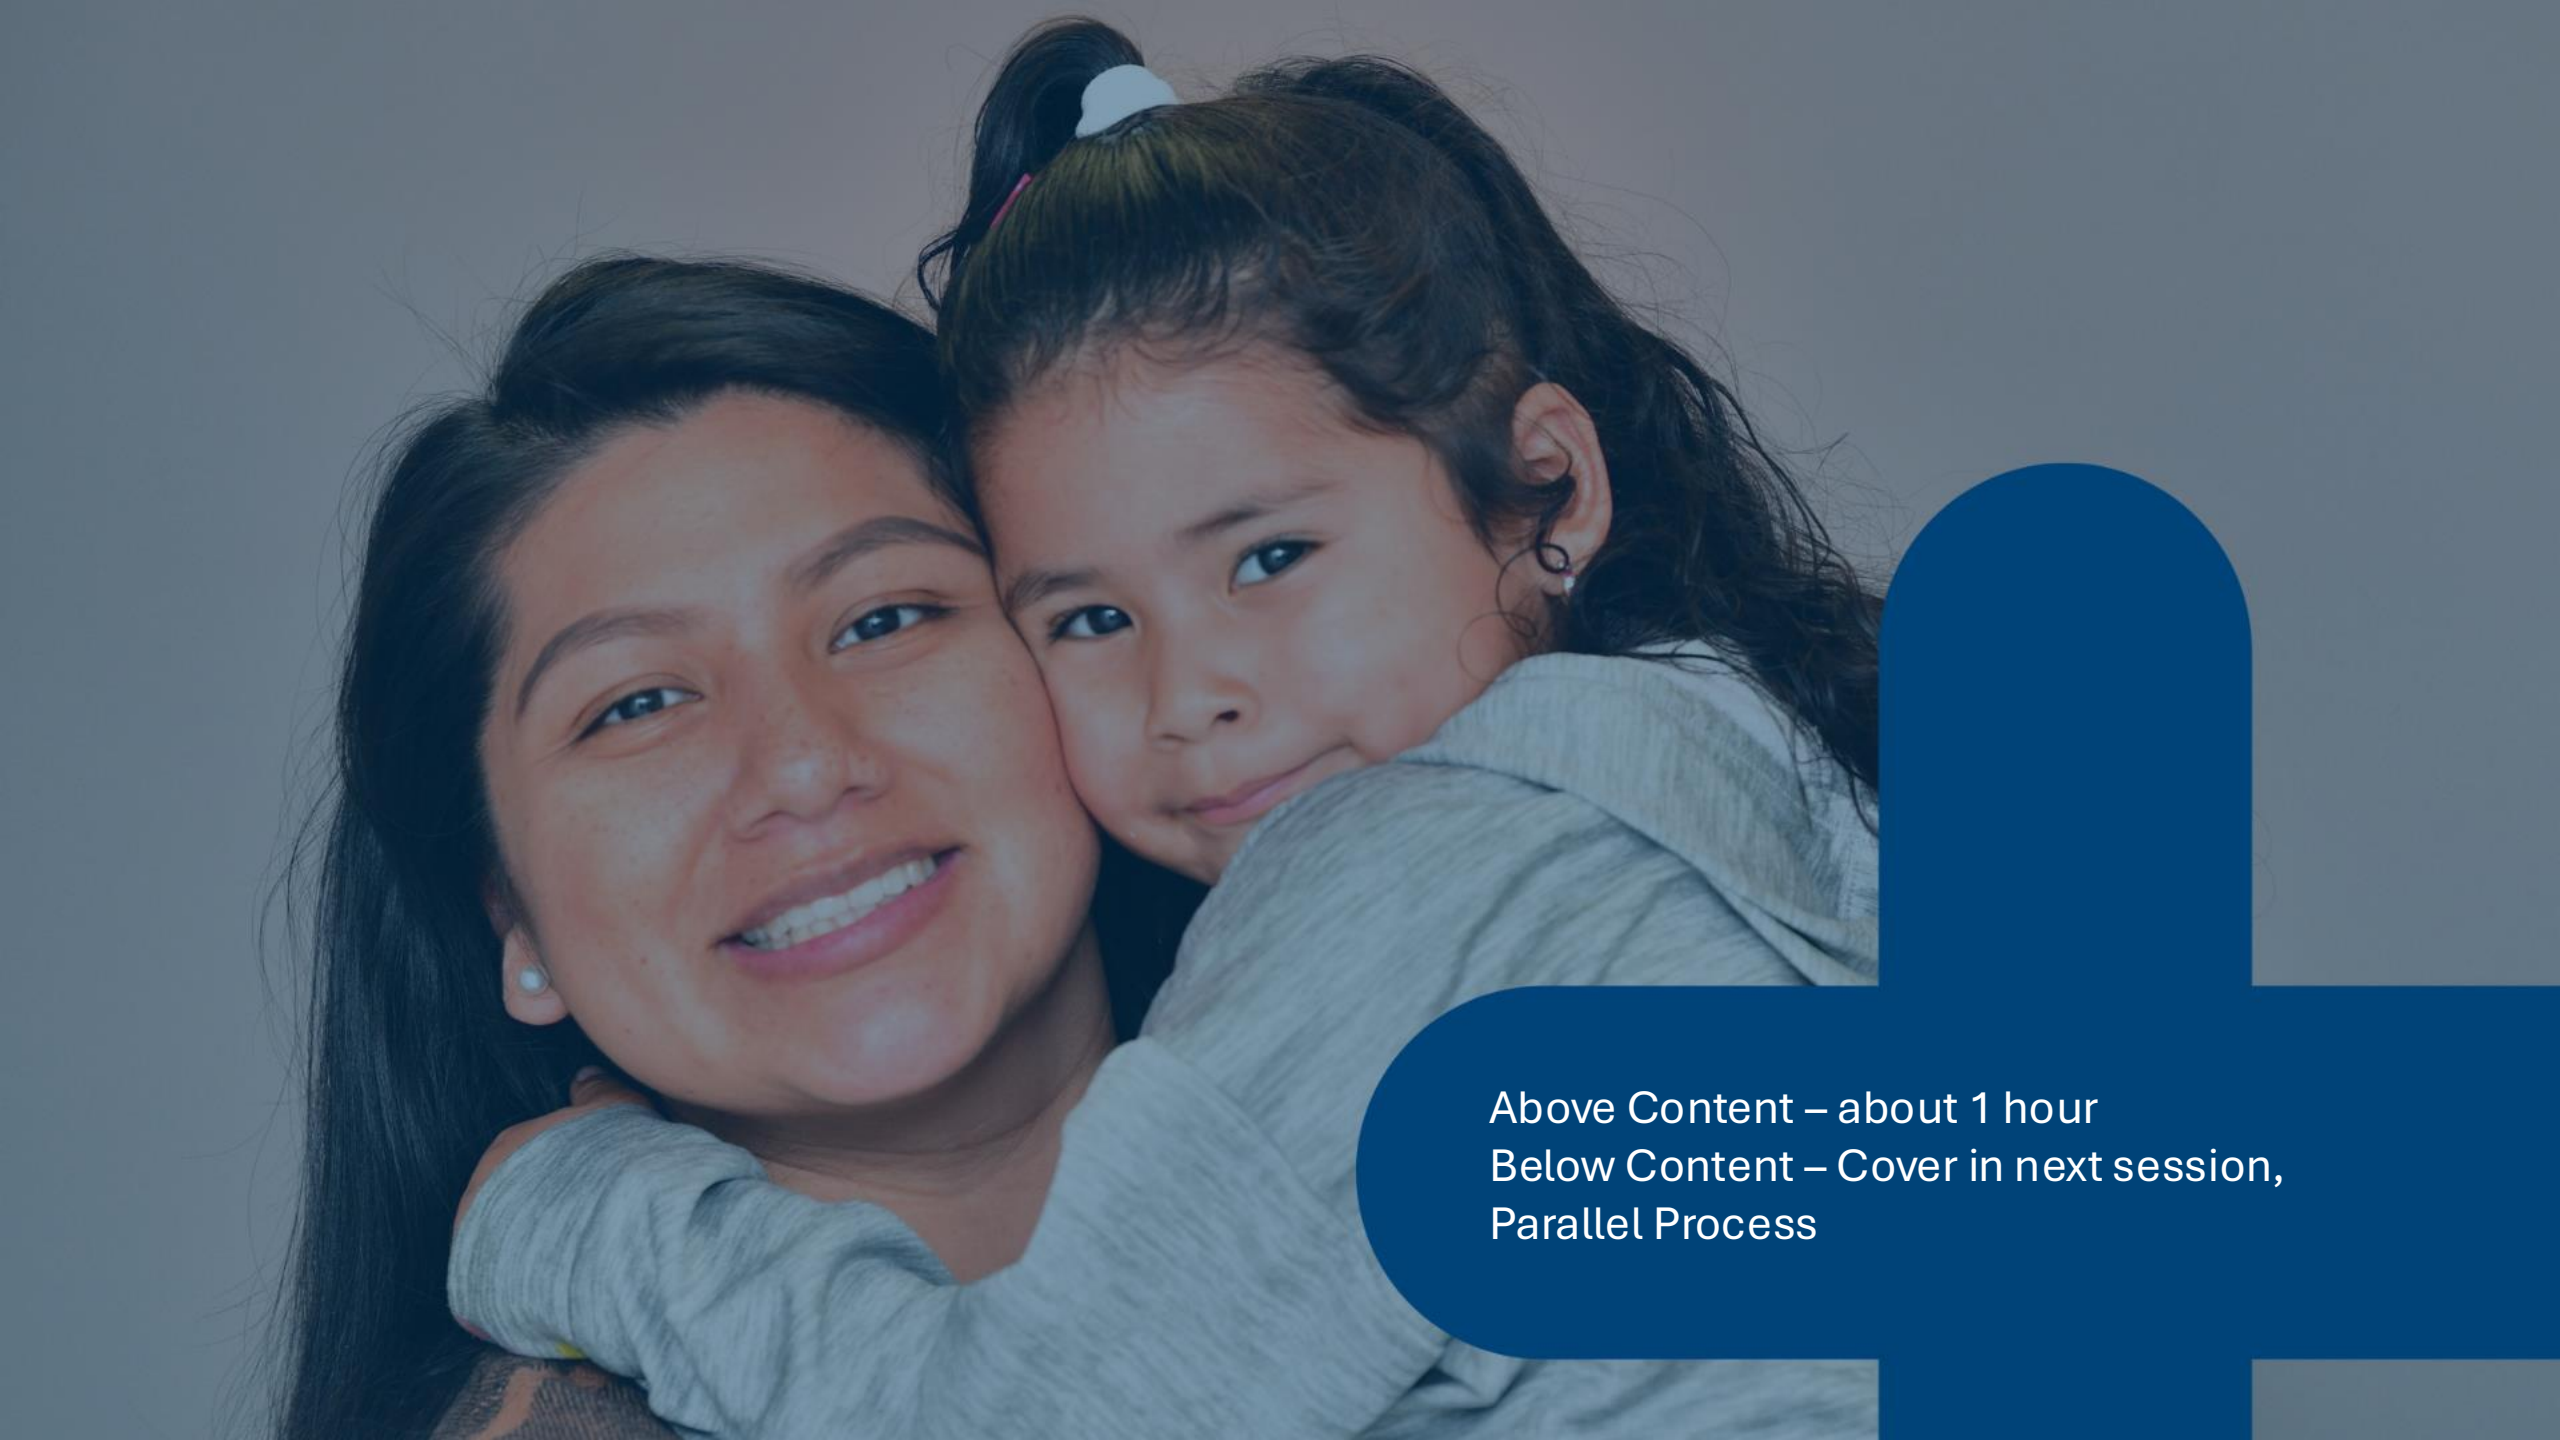

“I want to model lessons and model the training method.”

“I would use the communication strategies learned today to provide clearer and more timely feedback to my ELSs. I also plan to incorporate the tools introduced in the training to facilitate regular check-ins and support. Additionally, I will create structured learning plans that align with the needs of each learner, helping them stay organized and motivated.”

“I don't know yet and I'm going to continue learning.”
